GREGORY H. WOODS, United States District Judge:

Counsel for Defendant's April 21, 2021 request to hold the April 22, 2021 hearing by remote means, Dkt. No. 75, is granted. It is hereby ORDERED that the proceeding scheduled to take place on April 22, 2021 at 3:00 p.m. will take place on the Microsoft Teams videoconference platform. To access the conference, paste the following link into your browser:

To use this link, you may need to download software to use the platform's videoconferencing features.<sup>1</sup> Participants are directed to test their videoconference setup in advance of the conference—including their ability to access the link above. Defense counsel shall assist the defendant in testing his or her videoconference capability so that the defendant can participate by videoconference if that is feasible.

<sup>1</sup> See Microsoft, *Download Microsoft Teams* (last visited January 27, 2021), <https://www.microsoft.com/en-us/microsoft-365/microsoft-teams/download-app>.

Users who are unable to download the Microsoft Teams application may access the meeting through an internet browser, although downloading the Microsoft Teams application is highly recommended.<sup>2</sup> When you successfully access the link, you may be placed in a “virtual lobby” until the conference begins. Participants should also ensure that their webcam, microphone, and headset or speakers are all properly configured to work with Microsoft Teams. For general guidelines for participation in remote conferences, visit <https://nysd.uscourts.gov/covid-19-coronavirus>.

Members of the press, public, or counsel may access the conference’s audio using the following credentials:

Call-in number: (917) 933-2166  
Conference ID: 126 450 306#

The Court requests that members of the public consider accessing the conference by telephone, rather than through the Microsoft Teams videoconference platform. While the proceeding is accessible to the public through the Microsoft Teams videoconference platform, the inclusion of many participants on the videoconference platform can reduce the quality of the video stream for the parties and their respective counsel.

The Clerk of Court is directed to terminate the motion pending at Dkt. No. 75.

SO ORDERED.

Dated: April 21, 2021  
New York, New York

<sup>2</sup> Please note that participants who access the Teams meeting using an internet browser may only be able to view one participant at a time.
